

Monthly Indicators

December 2017

The number of homes for sale, days on market and months of supply were all down in year-over-year comparisons in a majority of the country for the entirety of 2017, as was housing affordability. And although total sales volumes were mixed, prices were consistently up in most markets. Buyers may not benefit from higher prices, but sellers do, and there should be more listing activity by more confident sellers in 2018. At least that would be the most viable prediction for an economic landscape pointing toward improved conditions for sellers.

New Listings increased 19.1 percent for Single Family homes but decreased 9.8 percent for Condominium homes. Pending Sales increased 43.3 percent for Single Family homes and 40.7 percent for Condominium homes. Inventory decreased 6.4 percent for Single Family homes and 27.2 percent for Condominium homes.

Median Sales Price decreased 0.8 percent to \$695,500 for Single Family homes but increased 7.1 percent to \$440,000 for Condominium homes. Days on Market decreased 8.1 percent for Single Family homes but increased 30.8 percent for Condominium homes. Months Supply of Inventory decreased 15.4 percent for Single Family homes and 36.3 percent for Condominium homes.

Unemployment rates have remained low throughout 2017, and wages have shown improvement, though not always to levels that match home price increases. Yet housing demand remained incredibly strong in 2017, even in the face of higher mortgage rates that are likely to increase further in 2018. Home building and selling professionals are both cautiously optimistic for the year ahead. Housing and economic indicators give reason for this optimism, with or without new federal tax legislation.

Housing Affordability Index

This index measures housing affordability for the region. For example, an index of 120 means the median household income is 120% of what is necessary to qualify for the median-priced home under prevailing interest rates. A higher number means greater affordability.

December

Year to Date

Affordability Index	Single Family	Year-Over-Year Change	Condominium	Year-Over-Year Change
